

UNIVERSITY OF NANKING

NANKING, CHINA

24 December, 1937.

Dearest Lilliath:-

Mr. T. Fukuda, Secretary of the Embassy, is kindly taking this note to Shanghai by plane. I am also sending to Rees a request that he cable greetings to you through McCoy. I hope you have already heard through newspapers that no foreigner was killed or wounded here.

With much love and continual thought for you and Morton and Bobby, plus greetings to good friends among whom you are,
Searls.
